

## Aggregate Products

We sell all grades of aggregate products, which can be delivered to your site or picked up here at our Morristown, MN pit. Large or small quantities are available.

## Topsoil

- Pulverized Topsoil (Easy to work with; spreads with a rake)
- Standard Topsoil (good dirt that may have some clumps, and may have a few small rocks)
- Marginal Topsoil (dirt fill, will still grow grass, will have clumps and some rocks, not as black as standard or pulverized topsoil)
